

Scene 1:

Main: Dashboard 1

what % purpose

fix this

this or

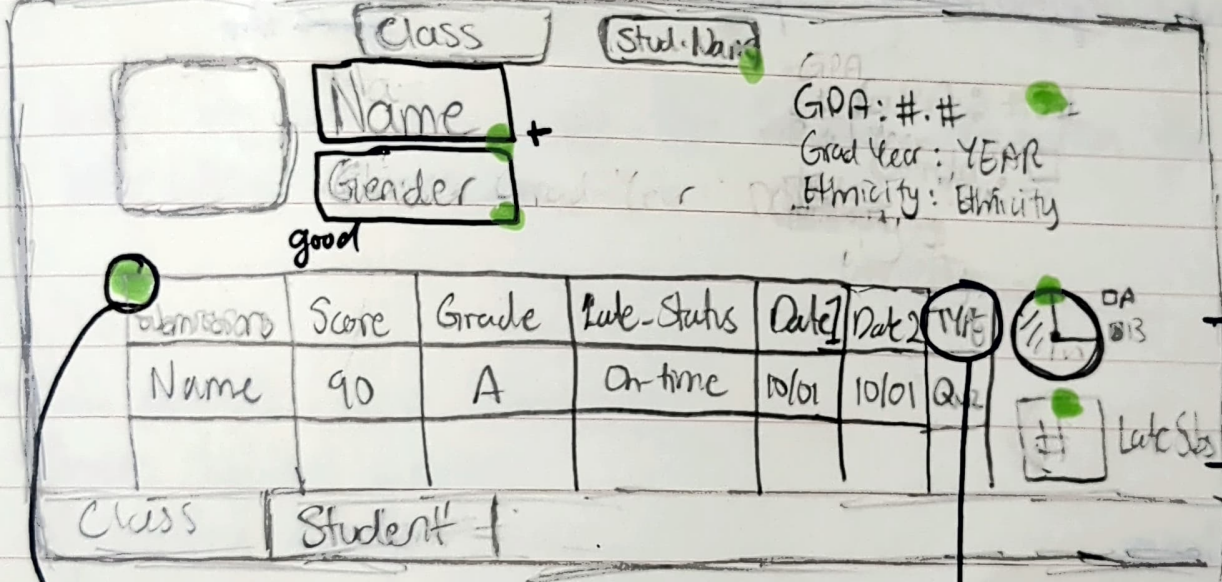

Good high level grasp

Grade 97%

this really good for teacher to assess their own areas of growth

positive reaction

Sub: Dashboard 2

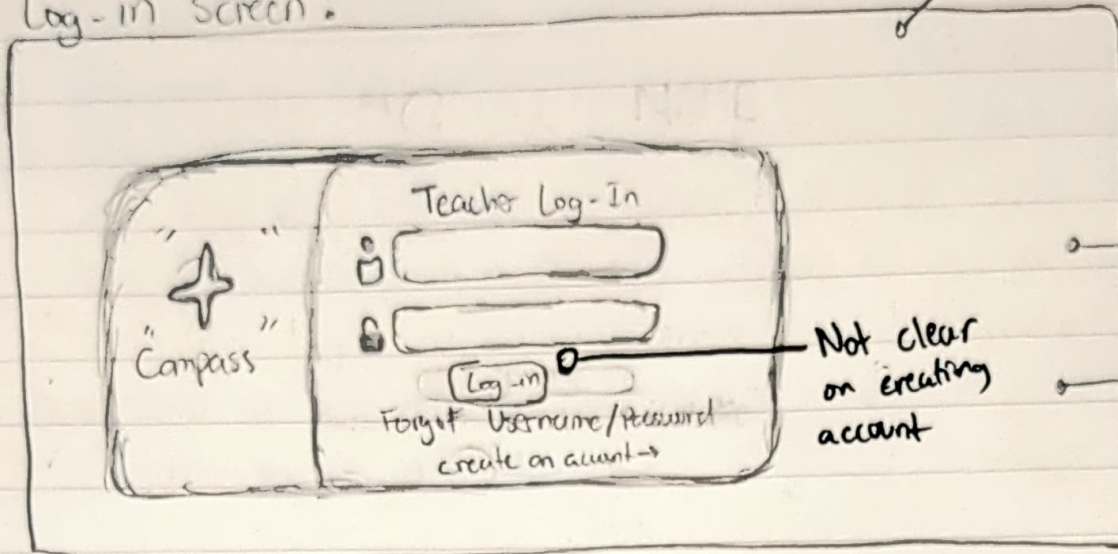

good view, try reflect models

good for checking the level of work

Web-Design

Log-in Screen:

Real Image of educator helping student

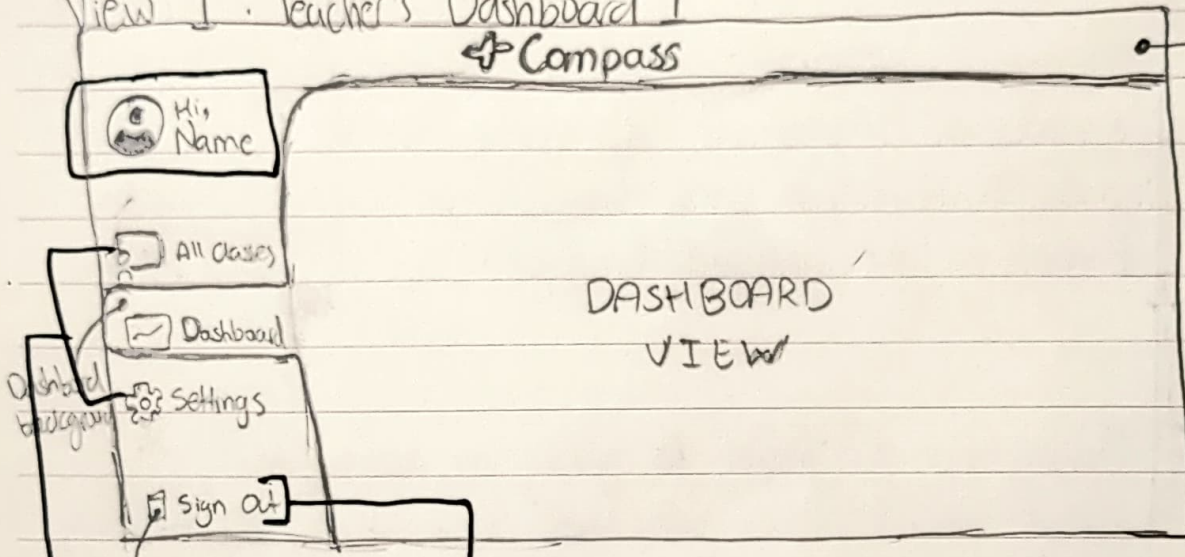

Illustration of classroom

Not clear on creating account

Blue/White Text, Greener Video (?)
